

Willow Supply List

Please bring the following items to school on your child's first day:

- Dishpan - approximately 12 quart, Rubbermaid makes an 11.4 qt-13.5" x 12.5" x 5.5", or Sterilite makes a 15.75" x 12.5" x 6", or anything of a similar dimension. This will be your child's classroom cubby. Please put a picture of your child, his/her name, and decorate it with anything else you'd like, on both ends. This is a fun family project.
- A close-up 4 x 6 photo of your child's face for his/her locker
- A complete set of extra clothes in a gallon zip-loc bag. Please label the clothing and the bag with your child's name.
- Family photo page: Each family will receive an album page to fill with family pictures that will be included in a class book. You will receive this page at Open House.
- If your child is in the morning class - a box of wipes
- If your child is in the afternoon class - a box of sandwich size Ziploc baggies
- A package of disposable diapers that open on the side, if your child will be wearing diapers at school

We may request additional items throughout the year that will be used by your child for various curriculum projects, or if the supply of the above items dwindles. Watch the newsletter for more details.

Thank you!
