

New Morning Nursery School - 4K FAQs

What Is 4K?

4K is an optional program that provides 437 hours of instruction, at no charge, to families who live in the Madison Metropolitan School District (MMSD). 4K is offered at many MMSD elementary schools and partnering childcare centers in the City of Madison, as well as other surrounding communities (Cross Plains, Monona, Middleton, and Verona). 4K is a developmentally appropriate, play based program. The program must be safe, nurturing, challenging and non-bias. It should be sensitive to cultural and family needs, flexible to meet the needs of a diverse population, and designed to promote partnerships with families. Partner programs must be licensed by the State of Wisconsin and accredited by the City of Madison or NAEYC. The curriculum should be aligned with the Wisconsin Model Early Learning Standards (WMELS) and accreditation criteria. New Morning has been providing such a program for 4 year olds for over 48 years.

Who is Eligible?

Children who live in the MMSD area and are 4 years old on or before Sept 1 are eligible to enroll in 4K. A child can only attend a 4K program once at no charge. A child who is 5 on Sept 1 may enroll in a 4K program if s/he did not attend one the previous year for free. Four year olds enrolled in a morning or afternoon 4K program in a public school may enroll in the New Morning 4K program for the other part of the day, but would have to pay NM tuition. If space is available, children who are at least 3 yrs 9 months on 9/1 may enroll in the afternoon 4K class, but would have to pay tuition. Families who live outside of the MMSD and whose home school district offers 4K should apply for Open Enrollment with DPI in order to enroll in New Morning's 4K program at no charge.

What is the New Morning 4K Program Schedule?

New Morning offers a morning and an afternoon 4K program with 20 four year olds and two DPI certified early child hood teachers per class. Our program meets Monday through Friday 8:30-11:00, or 1:00-3:30. We follow the MMSD calendar with regard to major breaks. There is an option to extend each day 30 minutes and/or add lunch bunch. Tuition and an application fee will be charged for these add-ons. Enrollment will not be affected by whether families add on to the free 4K portion of their child's day, but by doing so; they help make up the difference between the actual tuition and the MMSD per child reimbursement. The school district pays \$3,880 per 4K student annually; the tuition for our 4K program is \$5,833 per student.

All 4K students enrolled in MMSD are required to pay a \$40 per student materials fee. These fees are given to the attendance school and are used to offset the cost of district mandated documents required to administer the 4K program. New Morning will collect these fees along with the MMSD enrollment confirmation documents in early spring. Please make your check payable to NMNS and return it with your verification papers. New morning will notify the school district that you have paid your fees.
