

New Morning Nursery School

School Year Tuition and Fee Schedule

2023-2024

An application fee of \$100 per family must accompany your child's application. Families enrolling a child in the 4K program only will not be charged an application fee if they are approved by MMSD. If the 4K student enrolls in 4K Plus and/or the lunch program the application fee will be required. Application fees are non-refundable. Tuition is calculated annually, based on the school calendar. The annual tuition at New Morning is payable in ten installments, the first of which is non-refundable and is payable upon confirmation of placement. The balance of tuition is divided into nine payments, due on the first day of each month, September 1 - May 1. 4K students will also be required to register their child with MMSD in March.

For students enrolling mid-year, the annual tuition will be recalculated by multiplying the number of weeks remaining in the school year. This amount will be payable in a number of installments equal to the number of regular payments remaining in the school year plus one (the prorated portion of the first payment).
