The annual tuition at New Morning is divided into ten equal payments. The first payment is non-refundable and is payable upon confirmation of enrollment. The remaining nine payments are due the first day of each month during the school year, beginning September 1 and ending with the final payment on May 1.

***For students enrolling mid-year the first payment will be made upon receipt of placement and contract. Then monthly tuition will be paid each month your child attends for any amount of days. For example, if

you choose to enroll in October, you will pay for the entire month of October even if your child does not begin until the 15th. The last payment will be the May payment.
